NOTES

- *1 In addition to the grebe total were 4 broods of grebelings numbering 4, 3, 3 and 2. One being fed a small fish.
- *2 Both bitterns were observed as they flushed S. from W. side of main dike road.
- *3 In addition to the goose total were 2 broods of goslings numbering 3 and 3.
- *4 In addition to the Gadwall total were 4 broods of ducklings numbering 15, 8, 8 and 3.
- *5 In addition to the Mallard total were 2 broods of ducklings numbering 8 and 5.
- *6 In addition to the Wood Duck total was a brood of 4 ducklings.
- *7 One flying over the site to E. cell tower nest, then later one breaking off a snag limb and taking to same nest.
- *8 Four eyasses were seen on the nest with both adults nearby.
- *9 Both adults in NW. quadrant, but nesting still unconfirmed and one SW. adult on territory, then prey to nest.
- *10 In addition to the coot total were 3 broods of cootlings numbering 5, 2 and 2.
- *11 Willow Flycatchers were seen heard singing by both census teams.
- *12 Nesting Bushtits were observed with young on a nest in the trees next to the hotel and not directly on site.
- *13 The chat was only heard by the pond team from the main dike road in the same area as was seen last month.

MORE NOTES

No owls were seen at the S. Russell Road nest box. No owls were seen at Anderson Park.
